For more information on the Creighton Model System, go to <http://www.popepaulvi.com/>

This seminar will shed light on the great work being done in building a culture of life in women's healthcare using the Creighton Model FertilityCare System and NaProTECHNOLOGY. This event is co-sponsored by the Eparchy of Saint Maron of Brooklyn and the School of Evangelization of the Diocese of Brooklyn. It will provide lay people, medical professionals, clergy and religious with information and resources to help couples struggling with infertility (and contemplating in vitro fertilization IVF). This evening will also help couples who want effective and morally acceptable methods of family planning, and women struggling with various gynecologic issues such as repetitive miscarriage, premenstrual syndrome (PMS), Polycystic Ovarian Disease (PCOD), endometriosis, postpartum depression, premenopause, etc. Bishop Gregory Mansour will open the seminar with prayer and Dr Paul Carpentier, CFCMC, director of the Long Island Gianna Center at Good Samaritan Hospital will be the keynote speaker.

Street Parking will be available near the Cathedral in no parking zone for people attending the seminar.
